NSC Maternal & Child Health

Consultation with external stakeholders:

Inclusion Advisory Committee
Eltham High group called PRISM
Diamond Valley College (who have previously run an event to support International day against Homophobia, Transphobia and Biphobia)
Banyule Youth Services program called Rainbow space
Genderqueer Australia
Freedom2B
MindOUT!
Out for Australia
Organisation Intersex International Australia
PFLAG Australia
Minus18
Rainbow Families Victoria
GLHV (formerly Gay and Lesbian Health Victoria)
Victorian Local Government Association
HealthAbility
Catholic Ladies College
Eltham College
Headspace
Victorian Aids Council
Switchboard
Nillumbik Youth Theatre

Questions as a basis for discussion:

1. Based on your experience, what are the areas of greatest importance to the LGBTI community, thinking primarily about people who live in Nillumbik or similar area
2. If any, what role has local government played in partnership with your organisation and what was the most positive outcome you can recall?
3. Council is considering a grant based program to support local community groups and events that promote and encourage IDAHOBIT and LGBTI inclusion. Based on your experience and/or similar initiatives, what are your thoughts about this?
4. In regard to IDAHOBIT, what initiatives (if any) is your organisation undertaking? Are there any other dates on the 2018 calendar you are planning events/activities?
5. Based on your experience, what would a meaningful relationship between Council and the LGBTI community look like?
