

# Nillumbik Shire Bushfire Mitigation Works Program 2020-2021

Location	Type	Planned works	Timing	
Arthurs Creek	Chads Creek Road (280)	Roadside	Slash/mow both sides of the road (Arthurs Creek Road to bridge)	January
	Chapel Lane	Roadside	Slash/mow both sides of the road (Arthurs Creek Road to bridge)	January
	Eagles Nest Road (15)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Greens Road	Roadside	Slash/mow both sides of road	January
	National Park Road (390)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	O'Deas Road (152)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	O'Deas Road (165)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Running Creek Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
Christmas Hills	Buttermans Track (856)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Catani Blvd (116)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Clintons Road (480)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Gills Road	Fire Access Track	Assess for box clearance, road surface, tree works	October
	Henley Road (68)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Muir Road (2)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	O'Sheas Road	Roadside	Assess for box clearance and hazardous tree works	October
	Ridge Road	Roadside	Assess for box clearance, hazardous tree works and woody weeds from Westering to Eltham-Yarra Glen Road	October
	Ridge Road	Roadside	Slash/mow both sides of road	January
	Ridge Road (5)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Ridge Road (735)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Simpson Road (40)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Skyline Road (330)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Skyline Road (40)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Skyline Road (45)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Skyline Road North (1055)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Skyline Road North (1073)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Skyline Road North (1405)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Wallace Road	Roadside	Assess for box clearance and hazardous trees	October
	Wallace Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
Westering Road (123)	Roadside - Fire Tanks	Vegetation works and brush cutting	December	
Westering Road (1)	Roadside - Fire Tanks	Vegetation works and brush cutting	December	
Diamond Creek	Allendale Road	Roadside	Assess for box clearance and hazardous trees	October
	Black Gully Road	Roadside	Slash/mow both sides of road	January

Location		Type	Planned works	Timing
Diamond Creek	Broad Gully Road	Roadside	Assess for box clearance and hazardous trees	October
	Broad Gully Road	Roadside	Clean up roadside of woody weeds and fallen debris	December
	Broad Gully Road	Roadside	Slash/mow both sides of road from Landex Drive to Haleys Gully Road	January
	Brownlow Drive	Power line easement	Remove woody weeds in power line easement	December
	Diamond Creek	Power easement	Brush cut under the power lines Ellis Cottage	December
	Herberts Lane	Roadside	Assess for box clearance and hazardous trees	October
	Herberts Lane	Roadside	Slash/mow both sides of road	January
	Hillmartin Lane	Roadside	Slash/mow both sides of road	January
	Ironbark Road	Roadside	Brush cut roadside behind the railing from no.77 to Koonawarra Way	December
	Ironbark Road	Roadside	Slash/mow both sides of road	January
	Lambert Street	Roadside	Slash/mow both sides of road - where possible	January
	Lambert Street/Clyde Street	Roadside	Clean up roadside of woody weeds and fallen debris behind the houses	December
	Larson Road	Roadside	Assess for box clearance and hazardous trees	October
	Milthorpe Road	Roadside	Slash/mow both sides of road	January
	Murray Road	Roadside	Slash/mow both sides of road	January
	Ness Street Reserve	Fire Access Track	Slash/mow on roadside along the access track and behind houses	January
	Nillumbik Park	Conservation Reserve	Slash	December
	Rusty Gate Drive	Roadside and trail	Clean up area behind housing estate and the Diamond Creek Trail	December
	Ryans Reserve	Conservation Reserve	Maintain established fuel management zones	December
	Starling Road	Roadside	Slash/mow both sides of road	January
	Sutherland Road	Roadside	Assess for box clearance and hazardous trees	October
	Sutherland Road	Roadside	Slash/mow both sides of road	January
Windy Mile	Roadside	Vegetation works and brush cutting	December	
Windy Mile Tree Reserve	Conservation Reserve	Maintain established fuel management zones	December	
Doreen	Brocks Road	Roadside	Assess for box clearance and hazardous trees	October
	Doctors Gully Road	Roadside	Slash/mow both sides of road	January
	Middle Hut Road	Roadside	Assess for box clearance and hazardous trees	October
Eltham	Allendale Road (east train line)	Bike Track/Road Reserve	Brush cut up the hill along bike track and roadside on the Northern side of the road	December
	Eastern ECB Colony	Conservation Reserve	Maintain established fuel management zones	December
	Hohnes Road Reserve	Conservation Reserve	Maintain established fuel management zones	December
	Kerrie Crescent	Roadside	Assess for box clearance and hazardous trees	October
	Laughing Waters (100)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Marion Way	Roadside	Brush cut reserve	December
Eltham	Mount Pleasant Road	Roadside	Assess for box clearance and hazardous trees	October
	Mount Pleasant Road	Roadside	Slash/mow roadside	December
	Mount Pleasant Road	Roadside	Brush cut between Mt Pleasant Road and the service road	December

Location		Type	Planned works	Timing
Eltham	Overbank Road (50)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Pipetrack Reserve	Reserve	Remove woody weeds in the reserve and clean up fallen timber	December
	Pitt Street Reserve	Conservation Reserve	Maintain established fuel management zones through brushcutting, removal of excess fine fuels and fallen trees	December
	Progress/Wattle Tree Road	Roadside	Brush cut and remove woody weeds to reduce fuel loads on steep bank	December
	Reynolds Road	Roadside	Slash/mow both sides of road	December
	SEC Transmission Easement	Roadside	Slash/mow on reserve and public managed land from Main Rd to Nyora Rd	December
	SEC Transmission Easement	Roadside	Slash/mow on reserve and public managed land from Parsons Road to Main Road	December
	Sweeney's Lane / Mays Road	Roadside	Thin out vegetation and woody weeds along the road reserve	December
	Western ECB Colony	Conservation Reserve	Maintain established fuel management zones	December
	Woodridge Linear Reserve	Conservation Reserve	Maintain established fuel management zones	December
	Yarra Valley Water ECB	Conservation Reserve	Maintain established fuel management zones	December
Eltham North	Allendale Road	Roadside	Slash/mow both sides of road (Allendale Road, Ryans Road to Donaldson Road)	December
Eltham South	Mays Road	Roadside	Slash/mow both sides of road (Reynolds to Stringybark Road and down into creek)	December
Greensborough	Plenty River Drive	Fire Access Track	Assess for box clearance and hazardous trees	December
Hurstbridge	Anzac Avenue	Fire Access	Grading, slashing, tree works	December
	Arthurs Creek Road	Roadside	Slash/mow both sides of road (720 to Yan Yean Road)	January
	Cherry Tree Rd	Roadside	Slash/mow both sides of road	January
	Christian Road	Fire Access	Inspection	December
	Christian Road	Roadside	Slash/mow both sides of road	January
	Church Road	Roadside	Slash/mow both sides of road (Anglers Hall to Panton Hill)	January
	Flat Rock Road	Roadside	Slash grass behind houses start of the road	December
	Flat Rock Road	Reserves	Slash grass behind houses start of the road	January
	Flat Rock Road	Roadside	Slash/mow both sides of road	January
	Gosfield Road	Roadside	Slash/mow both sides of road	January
	Haleys Gully Road	Roadside	Assess for box clearance and hazardous trees	October
	Haley Gully Road (240)	Conservation Reserve	Maintain established fuel management zones	December
	Haleys Gully Road	Roadside	Slash/mow both sides of road (No. 180 to Arthurs Road (north side))	January
	Hickory Downs Place	Roadside	Assess for box clearance and hazardous trees	October
	Hildebrand (45)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Hurstbridge-Arthurs Creek Road (205)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Hurstbridge-Arthurs Creek Road	Roadside	Slash/mow both sides of road (from Main Hurstbridge Road to Patullos Road )	January
	Melissa Close	Roadside	Assess for box clearance and hazardous trees	October
Mills Road	Roadside	Slash/mow both sides of road (Cherry Tree Road to the creek)	January	
Meander Road	Fire Access	Grading	December	

Location		Type	Planned works	Timing
Hurstbridge	Meander Knowles Reserve	Conservation Reserve	Maintain fuel management zones and vehicle access track	December
	Mills Road	Fire Access	Vegetation works, woody weeds, road surface, tree works	December
	Shinhuns Reserve firebreak	Reserves	Slash/mow both sides of road	January
	Springhill Road (48)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Taylor Road	Roadside	Assess for box clearance and hazardous trees	October
	Temple Ridge	Conservation Reserve	Slash paddock, maintain fire access tracks and established fuel management zones	December
	Temple Ridge East	Fire Access	Grading	December
	Temple Ridge North	Fire Access	Grading	December
	Temple Ridge West	Fire Access	Grading	December
	Temple Ridge Reserve	Reserve	Pine tree removal	February
Kangaroo Ground	Allendale Road	Roadside	Slash/mow both sides of road (Allendale Road, Ryans Road to Donaldson Road)	January
	Bourchiers Lane (120)	Conservation Reserve	Blackberry treatment along fenceline	December
	Bourchiers Road	Roadside	Assess for box clearance and hazardous trees	December
	Bourchiers Road	Roadside	Slash/mow both sides of road	January
	Bourchiers Road	Fire Access	Inspection	December
	Bourchiers Road	Reserves	Slash paddock behind wellers	January
	Calwell Road	Roadside	Assess for box clearance and hazardous trees	December
	Carter Lane	Roadside	Slash/mow both sides of road	January
	Dawsons Road	Roadside	Slash/mow both sides of road	January
	Henley Road	Roadside	Slash/mow both sides of road (from Eltham-Yarra Glen to Oxley Road)	January
	Kangaroo Ground Tip	Tip	Tractor slashing old tip site (no cutting in conservation area)	December
	Kangaroo Ground Tower	Reserve	Slash paddock below the tower	December
	Menzies Road	Roadside	Assess for box clearance and hazardous trees	December
	Menzies Road	Roadside	Slash/mow both sides of road	January
	Ness Lane	Roadside	Slash/mow both sides of road	January
	Nicholas Lane	Roadside	Slash where possible	January
	Wyuna Road	Roadside	Slash paddock behind wellers	December
	Yirrip Reserve	Conservation Reserve	Slash/brushcut grass and maintain fire access tracks	December
	Kinglake	Old Kinglake Road	Roadside - Fire Tanks	Graffiti, new lid, water clean, tank clean, 125mm fitting
North Warrandyte	Banning Road North	Reserve	Brush cut and clean up reserve	December
	Bradleys Lane Reserve	Conservation Reserve	Maintain established fuel management zones	December
	Chase Road	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Chase Road	Roadside	Slash/mow both sides of road	January
	Kangaroo Ground-Warrandyte Road (195)	Roadside - Fire Tanks	Vegetation works and brush cutting	December

Location	Type	Planned works	Timing	
North Warrandyte	Research-Warrandyte Road	Roadside	Slash/mow both sides of road (north from no. 91 to Stony Creek Road)	January
Panton Hill	Alma Road	Roadside	Slash where possible (Main Road to Rodger/Cracknells Road)	January
Panton Hill	Belfields Road (30)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Broad Acres Road	Roadside	Assess for box clearance and hazardous trees	October
	Broad Acres Road (135)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Bunjil Reserve	Conservation Reserve	Maintain established fuel management zones and fire access tracks	December
	Cochranes Lane	Road and power easement	Remove woody weeds along roadside from 110 to Cherrytree Road and clean up power line easement	December
	Goldman Road (95)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Howards Road	Fire Access	Assess for box clearance, road surface and hazardous trees	October
	Kangaroo Ground-St Andrews (570)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Lawrence Road	Roadside	Assess for box clearance and hazardous trees	October
	Motschalls Reserve	Conservation Reserve	Slashing	December
	One Tree Hill (230)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Panton Hill Bushland Reserve	Conservation Reserve	Slash open areas, brushcut and treat blackberries	December
	Panton Hill Roadside and Oval	Roadside and Oval	Brush cut along road reserve around oval	December
	Rob Roy Road (5)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Smiths Gully Road (300)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
Wimbi Reserve	Conservation Reserve	Maintain established fuel management zone	December	
Yanggai West Reserve	Conservation Reserve	Slash open/paddock, maintain fuel management zone and brushcut trail paddock	December	
Plenty	Bella Vista Court	Roadside	Remove woody weeds along the whole roadside	December
	Heard Avenue	Roadside	Slash/mow both sides of road	January
	Howell Road	Reserves	Slash block on the corner of Yan Yean Rd and Howell Rd	January
	Howell Road	Roadside	Slash/mow both sides of road	January
	Memorial Drive	Roadside	Assess for box clearance and hazardous trees	October
	Memorial Drive	Roadside	Slash/mow both sides of road	January
	Mackelroy Road	Roadside	Assess for box clearance and hazardous trees	October
	Oatland Road	Roadside	Assess for box clearance and hazardous trees	October
	Treetop Terrace	Roadside	Assess for box clearance and hazardous trees	October
	Westgarth Street	Roadside	Assess for box clearance and hazardous trees	October
Research	Bells Hill Road	Roadside	Remove woody weeds along the whole roadside	December
	Gumtree Road	Roadside	Assess for box clearance and hazardous trees	October
	Gumtree Road	Roadside	Slash/mow both sides of road	January
	Gumtree Road Reserve	Conservation Reserve	Maintain fuel management zones	December
	Ingrams Road	Roadside	Slash/mow on roadside from Margaret St to Allendale Rd	January
	Margaret Street	Roadside	Assess for box clearance and hazardous trees	October

Location		Type	Planned works	Timing
Research	Margaret Street	Roadside	Slash/mow both sides of road (from the Aqueduct to Ingrams Rd)	January
	Mount Pleasant Road	Roadside	Slash/mow both sides some hand work required	January
	Research Avenue	Roadside	Slash/mow both sides of road (Esplanade area)	January
	Research Aqueduct	Trail and Roadside	Remove woody weeds and pine tree removal	October
	Research Park	Reserve	Remove and chip dead fallen acacias	December
	Reynolds Road Linear Reserve	Conservation Reserve	Maintain fuel management zones	December
	Swiper Gully Reserve	Conservation Reserve	Maintain fuel management zones	December
	Yarramie Reserve	Conservation Reserve	Maintain fuel management zones	December
	Zig Zag Road (96)	Roadside	Brush cut road reserve	December
Smiths Gully	Bulwidj Reserve	Conservation Reserve	Maintain established fuel management zone through brushcutting grass and treatment of resprouting Kunzea	December
	Cants Creek Road	Roadside	Assess for box clearance and hazardous trees	October
	Clintons Road	Roadside	Slash/mow both sides of road	January
	Ginnivans Road	Roadside	Assess for box clearance and hazardous trees	October
	Spanish Gully Road	Roadside	Assess for box clearance and hazardous trees	October
	Salter's Rush Reserve	Conservation Reserve	Maintain established fuel management zones through brushcutting grass and treating regenerating Kunzea	December
	Salters Rush Road	Roadside	Assess for box clearance and hazardous trees	October
	Smiths Gully Road	Roadside	Assess for box clearance and hazardous trees	October
	Smiths Gully Rd	Roadside	Slash/mow both sides of road	January
	One Tree Hill Road	Roadside	Assess for box clearance and hazardous trees	October
St Andrews	Bald Spur Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Black Calf Creek Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Caledonia Street (39-61)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Charbler Lane	Roadside	Assess for box clearance and hazardous trees	October
	Dodd Street (130)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Flora Cres (60)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Fox Road	Roadside	Assess for box clearance and hazardous trees	October
	Heidelberg Kinglake Road (2075)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Heidelberg-Kinglake Road (2270)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Hewitts Rd	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Hildebrand Road	Roadside	Assess for box clearance and hazardous trees	October
	Hilderbrand Road	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Jacksons Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Jacksons Road (35)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
Jacksons Road (290)	Roadside - Fire Tanks	Vegetation works and brush cutting	December	

Location	Type	Planned works	Timing	
St Andrews	Lake View Road (100)	Roadside	Slash paddock	December
	Marshalls Rd	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Marshalls Road (50)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Mittons Bridge Rd	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Mullers Rd	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Ninks Rd	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Ninks Road (25)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Ninks Road (145)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Olives Rd	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Rankines Road (215)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Rangeview Road	Roadside	Assess for box clearance and hazardous trees	October
	St Andrews St	Roadside	Slash/mow both sides of road	January
	St Andrews/Panton Hill Road (870)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Wild Dog Creek Road (80)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Young Road (165)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Yow Yow Creek Road (15)	Roadside - Fire Tanks	Vegetation works and brush cutting	December
	Wild Dog Creek Rd	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
Strathewen	Arthur Street	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Beale Avenue	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Bowden Spur Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Chadds Creek Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Cottles Bridge-Strathewen Road	Roadside	Slash/mow both sides of road (including road reserve area north of bridge)	January
	Cottles Bridge Strathewen Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Eagles Nest Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Fraser Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Mathies Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Odeas Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Pine Ridge Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Powells Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	Rankines Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
	School Ridge Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	December
Wattle Glen	Mannish Road	Roadside	Assess for verge arm mowing, epicormic growth management and dead heading	October
	Peppers Paddock	Reserves	Maintain areas near General Store, brushcut areas either side of Old Hurstbridge Road and remove excess fine fuels.	December
	Pullen Drive	Roadside	Slash/mow both sides of road (north end off Heidelberg-Kinglake Road )	January
	Silvan Road	Roadside	Assess for box clearance and hazardous trees	October

Location		Type	Planned works	Timing
Wattle Glen	Watery Gully Road	Fire Access Track	Grading and maintenance if required	December
Yan Yean	Ridge Road	Roadside	Slash/mow both sides of road - from no. 885 to the intersection of Yan Yean Road & Arthurs Creek Road	January
Yarrambat	Astons Lane	Roadside	Slash/mow both sides of road	January
	Bannons Lane	Roadside	Remove broome and woody weeds along roadside to increase slashing area	December
	Bannons Lane	Roadside	Slash/mow both sides of road	January
	Bannons Lane North	Roadside	Slash/mow both sides of road	January
	Eisemans Road	Roadside	Slash/mow both sides of road	January
	Hacketts Lane	Roadside	Slash/mow on roadside (400m north from Ironbark Road)	January
	Laurie Road and Yan Yean Road	Roadside	Brushcut on the north east corner of the road for a site line up Yan Yean Road for 30m	December
	Licola Street	Roadside	Assess for box clearance and hazardous trees	October
	Licola Street	Roadside	Slash/mow both sides of road	January
	Mooney Road	Roadside	Slash/mow both sides of road (to end of formation)	January
	North Oatlands Road (171)	Roadside - Fire Tanks	Vegetation works and brush cutting	October
	Robbies Road	Roadside	Assess for box clearance and hazardous trees	October
	Wild Cherry Lane	Roadside	Assess for box clearance and hazardous trees	October
	Worns Lane	Roadside	Slash/mow both sides of road	December
	Worns Lane	Roadside	Slash/mow both sides of road	January
Yan Yean Rd and Vista Court	Reserves	Brushcut reserve on the north west corner of Vista Court and Yan Yean Road	October
