

Guidelines and Application Instructions 2017–2018 Annual Grants Round

The Nillumbik Community Fund Annual Grants provide community groups with the resources to enhance and strengthen their own neighbourhoods and townships across two grant streams.

- Arts and Culture
- Community Projects

All applications are assessed by the Nillumbik Community Fund Assessment Panel (NCFAP). The NCFAP is a panel made up of Council officers and community members who provide recommendations to Council for all annual grant applications.

Funds of up to \$5000 per project are available.

Objectives

The objectives of the Nillumbik Community Fund are to support projects that:

- Reflect the strategic objectives of the Council Plan.

- Will have a lasting impact beyond the life of the grant.

Applications should be made to one of the two grant streams:
