

# GROWING COMMUNITY

# Seed and Harvest Share

Saturday mornings - 10 AM

Meet with other garden-loving locals at a YPRL library branch near you!

Learn from each other about growing home produce, and share your excess seeds and harvest with others.

With guest gardening gurus on hand to offer advice, an abundance of produce to share, our seed libraries, and our extensive collection of books and magazines, you'll find step-by-step guidance for success!
